

Sermon Bingo!

Instructions:

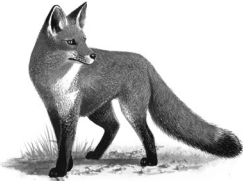

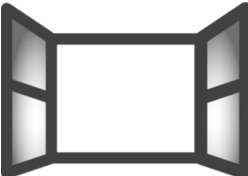

- Mark the words as you hear them. You can mark the word if the suffix changes (-ing, -es, -ed, etc.) but not with a prefix change (re-, un-, in-, mis-, etc.).

- Words must be **spoken within the sermon** itself, which begins after the scripture readings. (Usually it ends with “This is the Word of God for the people of God. Thanks be to God.”)

- There may be multiple ways to get bingo, so listen to the entire sermon! And while there’s no guarantee, if you do get bingo, let Peter and/or Kathleen know after worship!

- On the lines provided, write a summarizing phrase, sentence, or message from the sermon or a memorable quote from the sermon. OR write a question to ask after worship so you can remember to ask after!

- Some definitions may be provided on the back to help explain some words and/or the symbols given.
