

## **Al Baker**

Al and his wife, Tracy, moved to Lynchburg in 1995. They have two adult children, Rose and Tom—both attended the FPC Weekday School and were involved in children and youth programs here at FPCLY. Rose has blessed us with her musical gifts on many occasions! Al is a physician at Lynchburg Pulmonary Associates specializing in lung disease and critical care medicine. He has been on the front lines of the coronavirus pandemic from the beginning! In his spare time, Al enjoys all things outdoors—hiking, canoeing, camping, and even yard work. Al's interests aren't limited to the outdoors though—he once worked as a sound technician for Count Basie's orchestra! Al has faithfully served with the Scout program here at FPCLY providing a strong link and connecting point between the troops and the church. Al currently serves on the Service and Outreach Committee.

**Current Favorite Scripture:** *1 Corinthians 13: 12*, "For now we see in a mirror, dimly, but then we will see face to face. Now I know only in part; then I will know fully, even as I have been fully known."
