

Elsie Howerton

Lynchburg has been home to Elsie most of her life; she attended the FPC Weekday school as a child and has distinct, fond memories of her days as a middle school youth at FPCLY. Elsie enjoys playing tennis and is both a cat and dog lover; she has a barn cat named Honey and a Great Dane named Easton. Elsie works as a school psychologist with Bedford County Public Schools. Elsie is excited about the opportunity to serve God and the church as an elder.
