

## **Gary Williams**

Gary and his wife, Beth, have been married for 38 years. They have raised three children, Hannah (married to Alex with a daughter named Alanna), Rachel (married to Kevin), and Caleb (living in Wilmington, NC). In 2021, Gary retired from Framatome after 40+ years as a mechanical engineer. For fun, Gary likes to swim, walk & sail with Beth, study the bible, engage in community outreach, and work on projects at home. Gary is passionate about loving God and loving others. His favorite memories with FPCLY have been serving on mission trips with his children, "these times were priceless to me as a father in the opportunity to model and build our faith as a family and to joyfully recall the shared fun and yet deep experiences even today. There is no greater blessing than having your young collegiate son share how proud he was of his dad and how much the time together meant to him after an eye-opening and heart-changing mission trip to Chicago's southside."

**Favorite scripture:** Romans 8:38-39
