

Denise McDonald

Denise and her husband, Travis, became a part of the FPCLY family in 1989 when they moved here from Richmond. Their daughters, Margot and Madeleine, grew up at FPCLY and were very involved in youth group and other youth activities including the Christmas Nativity, which is Denise's favorite FPCLY memory. Denise currently works as the Executive Director of the Old City Cemetery Museums and Arboretum and enjoys reading, gardening, photography, and walking. Her love for photography really shines when she is capturing the beauty of nature.

At FPCLY, Denise has been involved with Sunday School and youth activities. She has shared her gift of music in the choir and her leadership as an elder. She has been an active participant in our Walk with God program. Denise is excited about serving God's church with a heart for accepting and loving all people because we are all God's children.

**Her favorite scripture is
1 Corinthians 13:4-13.**
