

Nathan Gowen

Nathan and his wife, Nancy Ann, have been a part of the FPCLY community since 2017. They have three children Noah (4), Maggie (2), and Mary (almost 1). Nathan currently works as the Branch Manager at Ferguson Enterprises in Charlottesville and has been employed at Ferguson for 20 years! Nathan loves keeping busy at home working in the garden, yard, or house and enjoys anything outdoors. That must be why he pursued a Bachelor's Degree in Forestry!

At FPCLY, Nathan has been involved with middle school lock-ins, read scripture during worship services, and helped with Worship Workshop. His favorite FPCLY memory is the baptism of his children this past summer.

Nathan is excited to serve this church community, "I feel it's important to support our congregation, attract others to it, and help provide a foundation of faith and involvement for young people."

One of his favorite scriptures is

Proverbs 3:6.
