

February 2020

Lord, as we approach the season of Lent in the church year, help us again to seek renewal of our spirit. We do this through prayer, through fasting, through alms giving, and through repentance. We repent of our sin and humbly and earnestly seek Your forgiveness and your Love. We love you and worship you with all of our heart, with all of our soul, with all of our strength, and with all of our mind. Help us to love our neighbor as we love ourselves. We ask this in the name of your Son, Jesus Christ. May your Holy Spirit lead and comfort us every hour of each day. Amen.
