

Worship will transition to the Fellowship Hall starting Sunday, August 18. We will continue to worship in the Fellowship Hall for approximately three months. We know that this is a great shift in how we "normally" gather for worship on Sundays and appreciate your grace and patience as we walk through this season. We are excited and look forward to the opportunity to celebrate, worship, and sing praises to God in a different space. We know that it may not look the same; however, we know that God's presence and Spirit will remain the same and run through the space in mighty and powerful ways. We are just so thankful to have a space like the Fellowship Hall that gives us the opportunity to make this transition.

What does this mean for you?

- **Parking.** You may park in the rear parking lot and enter the church building through the Fellowship Hall doors. Or you may park in the front parking lot and walk through the church to the Fellowship Hall. Ushers will be available at both entrances and signs will be along the front drive to serve as a reminder.
- **Virtual Means of Worship. We are very sorry that due to the lack of technological capabilities in the Fellowship Hall, NO livestreaming or live radio broadcasting will be available during this transition.**
 - **Livestream.** Due to the equipment and set up needs of the livestream equipment, a video worship option will NOT be available during this season.
 - **Live Radio Broadcast.** The set up for sending the radio broadcast signal to and through WLNI cannot be replicated in the Fellowship Hall. As a result of this, we will NOT be able to run a live broadcast of the service. If you tune to the radio on a Sunday, you can expect to hear a rebroadcast of a past worship service.
 - We are sorry for this adjustment especially for those of you who are unable to make it to the church on a Sunday morning. Please note that a copy of each week's bulletin and sermon is posted on the [worship page of our website](#). If you would like a printed copy of the sermon mailed to you during this season, please email office@fpcl.org.
- **Children in Worship.**
 - We will continue to have a **children's moment** during the service and **worship carts** will continue to be available with resources for children to engage in as a part of their worship experience.
 - **Worship Workshop** will also continue to take place in Room 101 (on the other side of the Chapel on the first floor) after the children's moment. Parents, we will ask you to pick your children up from the Worship Workshop Room at the

conclusion of worship. This is to ensure they are safely returned to their grownups.

- **Lemonade and Cookies** will continue to take place in the Fellowship Hall (after worship) as a time of connection and relationship building.
 - Worship in the Fellowship Hall opens up a special time of gathering and fellowship BEFORE the service starts. We encourage you to arrive anytime after 9am for coffee, morning treats, and conversation with one another.
 - If you would like to host one of these Sundays (or anytime throughout the fall) click [here!](#)
- The **nursery** will continue to be available for families with children 3 years old and younger from 9 AM - 12 PM in room 8!

Let us come together as a church community to celebrate the God who is the same yesterday, today, and tomorrow no matter where we are!
